

Building a Cleaner, Greener SCS One School at a Time!

Green Schools. Green Families Workshops

Low income families in Memphis pay a higher percentage of their paychecks for energy than anywhere else in the country!

Over the past few years, SCS Project Green Schools has educated and empowered students to lead their schools toward data-driven energy savings.

Let's empower your parents with these proven energy saving strategies.

Host a FREE Green Schools Green Families workshop at your school!

Workshops will include:

- **Raffles/prizes**
- **Energy-saving gift pack**
- **Learn how to keep more money in your household budget**

Contact Tracy Leaks, Green Schools Project Leader
at (901) 416-4118 or leaksta@scsk12.org to host a workshop at your school.

Light refreshments served
