**Click your
settings tab.**

This is your "friendly web address."

Your new web address is:

schools.seskl2.org/A. Maceo Walker Middle

**** "www." does not work with these sites.****

Site Settings

Rename your site by changing the site or menu name or both. If you want, you can update the contact name, email and phone number and set a friendly web address.

General **Contact** **Advanced**

*** Site Name:**

The site name appears in Site Manager and anywhere the site name ActiveBlock is used on the site.

A. Maceo Walker Middle

*** Menu Name:**

The menu name appears in the navigation on the end-user website.

A. Maceo Walker Middle

*** Friendly Web Address:**

Enter the text for your friendly web address without spaces. Example: athletics

If you entered athletics in this field, visitors could type <https://tn50000520.schoolwires.net/athletics> to navigate directly to this area of your website.
