

# Attention: New K-2 Teachers

Are you looking for ways to build your knowledge, strengthen your skills and connect with colleagues?

Learn more about how you can join a **K-2 Affinity Group** so you can grow professionally while being part of a safe community of colleagues.

In these monthly sessions, new teachers will learn about Foundational Skills, workstations, differentiated small groups, content/virtual engagement, academic habits, and classroom management.

Complete this survey if you'd like to receive information/updates about K-2 Affinity Group offerings this Spring.
