☑

Show Facebook Icon

Facebook Url

https://www.facebook.cor

Facebook Target
_self = Same Window |
_blank = New Window

_self ⬍

☑ Show Twitter Icon
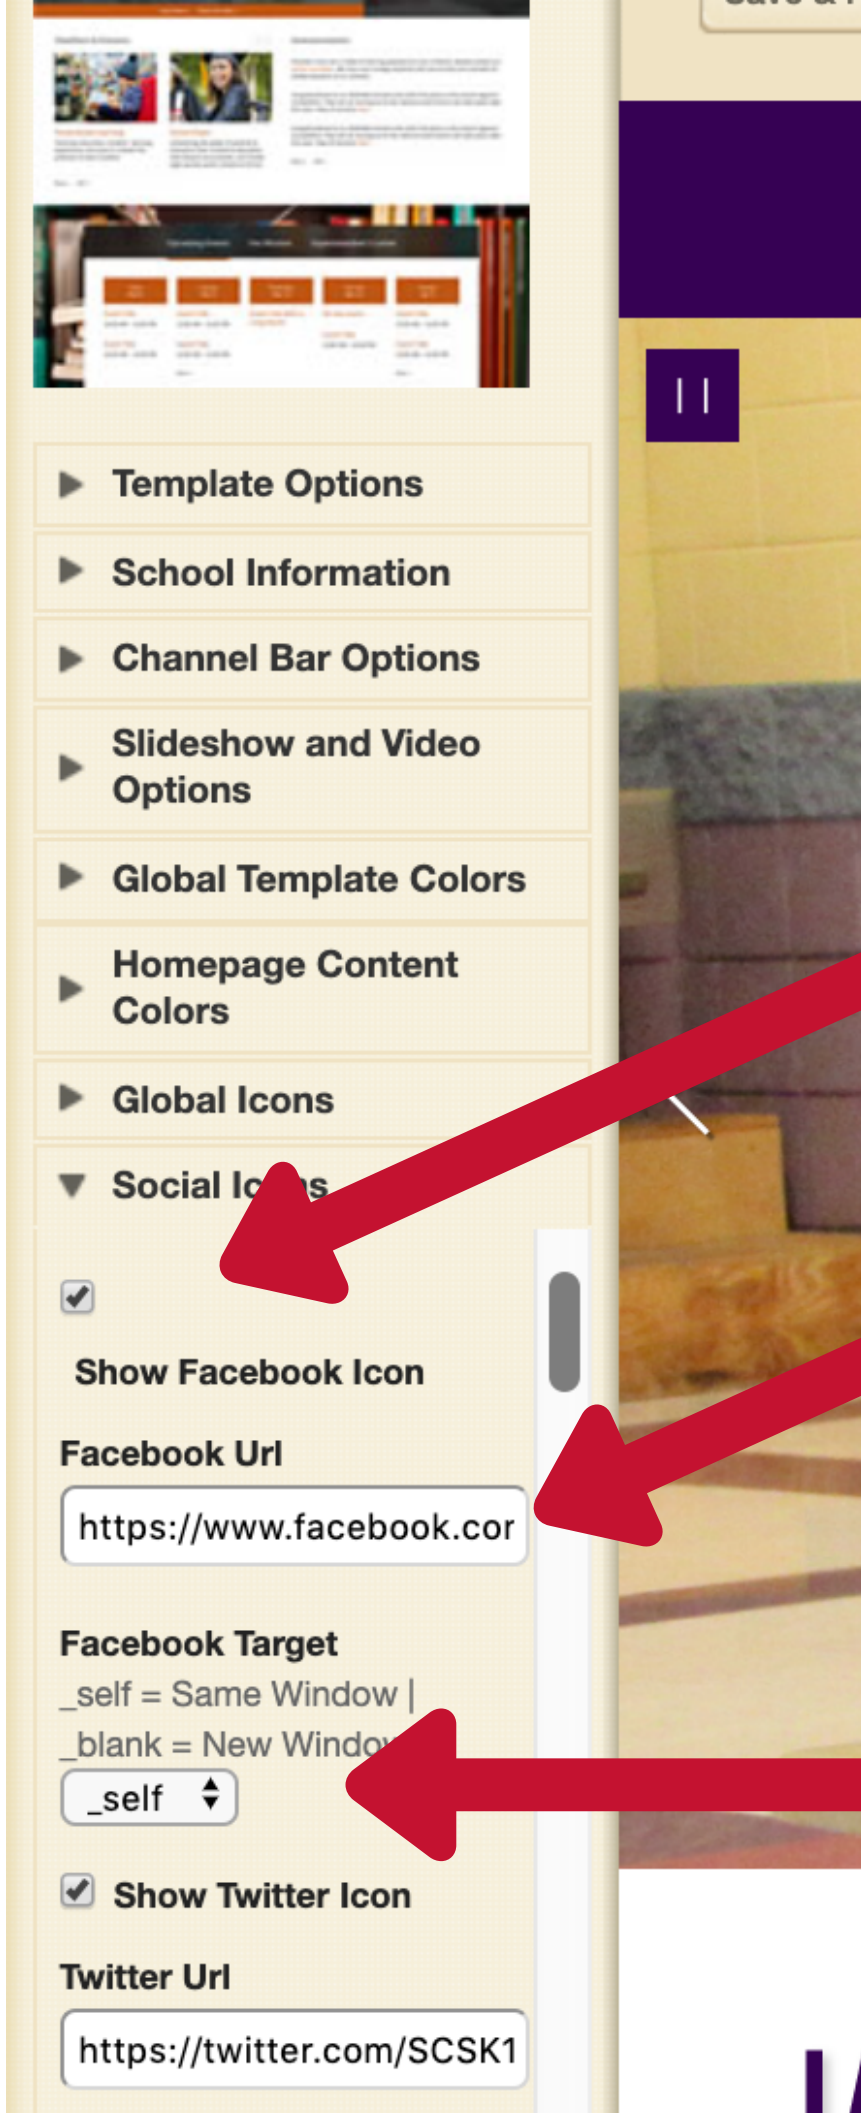

Twitter Url

https://twitter.com/SCSK1

Check the box for the icon to appear. Uncheck it to take it away. Do it for each social media type you have.

Paste the web address for your page here. Remove the # symbol if there is there is one. Do it for each social media type you have.

Make this box say "blank" so your page opens in a new window. "Self" means it leaves your site.
