The 2020-2021 District Implementation Guide (DIG) is here. Please take a moment to enjoy the new look and review guidelines to the RTI^2 process. We appreciate your patience during these unique times, and are excited to share the updated DIG. The DIG can also be located in the RTI^2 resources folders in the C&I SharePoint. I encourage you to download the DIG and save to your computer or bookmark the link in SharePoint for quick access. Please pay special attention to the following updates:

- ***P. 13*** – Universal Screening/Benchmarking process - new guidelines for newly identified students, who benchmark in both reading and math, and require drill down or drill up after benchmarking. (See flow chart)
- ***Pp. 10-24*** – The names of reports to analyze results for various assessments have been included throughout these pages.
- ***P. 17*** – Table with cut scores for 6th-8th grade CBMmath Automaticity Benchmark has been updated.
- ***P. 17*** – Table has been added to provide cut scores for 6th-8th grade COMPefficiency Benchmark.
- ***P.31*** – Information provided for Out of District and Within District student transfers.
- ***Pp. 42-43*** – Updates from ESL Department.
- ***Pp. 43-46*** – Updates from Special Education Department.
- ***P. 47*** – Information provided about Senior Reading Advisors.
- ***P. 50*** – Incorporated guidance on Classroom Essentials. (Sample provided in Appendix E)
- ***Pp. 68-69*** – Updated tables for reading and math progress monitoring cut scores. (Appendix F) <u>Pay close attention to CBMmath Automaticity.</u> Cut scores have been added for 4th-8th grades. Additional information provided in the footnote.
- ***Appendices*** – Make sure to review all for new and updated forms.
