Achieve 3000 Class Rostering Updates

Your Achieve3000 Rostering team would like to ensure data from PowerSchool are accurately capturing students actively enrolled in the AchieveBoost program.

To this end, we will conduct a mass removal of classes that have <mark>no logins or activities</mark> in all elementary, middle, and high schools.

When: Saturday, November 26, 2018

What you should know?

- **Any class without active data (logins and activities) will be removed from the AchieveBoost program.**
- **PowerSchool will not automatically reinstate any classes after the removal process.**
- **Changes will take effect when students return to school on Monday, November 26, 2018.**
- **If you have any questions about the process, please reach out to shelbycounty@achieve3000.com**

What if a class is removed but it needs to be reinstated?

- **You will need to contact rostering@achieve3000.com to reinstate the class.**
- **Process will take at least 48 hours**
- **Achieve3000 will send you a confirmation email once the class has been added back to your school.**
