

Accessing Illuminate FastBridge as a Student

1. To log into Illuminate FastBridge go to www.edugoodies.com and click on the Illuminate FastBridge icon.

2. Once on the Illuminate FastBridge log in page, leave the username and password fields blank and click **“Login via SAML”**.

3. This will bring you to a SCS login page where students will input:

Username: studentnumber@student.scsk12.org

Password: Same as students SCS computer password
Student number =PowerSchool ID#

4. Once the student is successfully, click **“Continue to Portal”**

5. On the left hand side click, **“FastBridge Learning”**

6. The student will select Screening or Progress monitoring icon to begin the assessment. The assessment icon is only available when the window is open. The Progress monitoring icon is only available once the teacher creates progress monitoring groups.

*******Students must be enrolled in a SCS school in PowerSchool and associated to a classroom roster*******
