

Make the Break

Announcing the Achieve3000® WINTER HOLIDAY CONTEST

Keep using Achieve3000 over your holiday break and win a Singstation karaoke system!

When you use the Achieve3000 program over the holiday break, you can make the break and win! Achieve3000 will be on the lookout for students who complete at least five lessons on KidBiz3000®, TeenBiz3000®, or Empower3000™ between December 22, 2018 and January 6, 2019, and will enter them in state-wide drawings for a chance to win a Singstation Solo Deluxe 5-in-1 Karaoke System.

One great contest, 50+ lucky winners!

A winner will be chosen from each state and select international locations, and that means Achieve3000 will be holding 50+ drawings for students who meet the 5-activity goal during their holiday break. With so many prizes, you've got a really good chance of winning!

Here's how it works:

- Complete five lessons between December 22, 2018 through January 6, 2019 with an activity score of 75% or above. Your name will be automatically entered into your state's drawing.
- Double your chances! If you complete 10 lessons or more with an activity score of 75% or above during the contest timeframe, your name will be entered twice!
- After the contest ends, drawings will be held, and a winner chosen from each state. Winners will be contacted so they can claim their Singstation karaoke systems.

PLEASE NOTE: Students need to complete five or more unique lessons. Students need to complete work independently.

NEW HOLIDAY BOOT CAMP LESSONS!

When you log in over your holiday break, you'll see exciting new lessons each day, designed to help you build reading skills fast! You can complete these Boot Camp lessons or any other Achieve3000 lessons to meet the contest goal.
