

2019-2020 PD Flex Days Frequently Asked Questions

How many hours do I need in the 19-20 school year?

District leaders are still in collaborative conferences with educators and teacher associations to determine what works best for teachers while still meeting State and District standards for PD. We will have more information about required hours in August.

When can I begin earning hours?

PD credit hours for the 2019-20 school year will count beginning August 2019.

How can I earn PD credit in the 19-20 school year?

After the total number of required hours is determined, a set number of hours will be assigned in the following categories:

- District
- School-based
- Summer *(beginning summer 2020 toward SY 2020-21)*
- Teacher's choice
