

SPECIAL ENCORE EVENT!

Due to multiple requests, Barnes & Noble Wolfchase is holding a second workshop to introduce Story Design. The workshop will be held on **Saturday, February 8, at 10 am**. We'll show participants how Story Design can enhance the classroom experience for your grade K – 8 students. Not only does this product combine STEM topics with literacy lessons, it also helps teach soft skills to students – teamwork and collaboration, listening to others, etc.

If interested in attending our Story Design Workshop on February 8, please rsvp to Mandy Henley-Bouck at crm2822@bn.com.
