

Nutrition Services sponsors the Summer Food Service Program. This program was established to ensure that youth continue to receive nutritious meals/ snacks when school is not in session.

When school is out, Summer Food Service Program provides free meals/ snacks to participating sites, (various locations not limited to school campuses) that offer youth programs in the City of Memphis and Shelby County.

Nutrition Services also sponsors the At Risk Supper Program during the school year. Participating sites, (various locations not limited to school campuses) with after school programs for youth that have structured activities are eligible to receive healthy meals/ snacks throughout the City of Memphis and Shelby County.

All participating sites must be approved by the TN Department of Human Services and must attend the [sponsors' mandatory training](#).

Participating site supervisors/staff in Memphis and Shelby County who have youth programs and are interested in receiving free meals/ snacks for their youth program must attend the mandatory training.

[Mandatory trainings and programs](#) are open to the public.

All SCS and non-SCS employees must attend the Sponsor (Nutrition Services) mandatory training.

All organizations who serve students are welcome to attend training to qualify for the program. **For example; a local church is having VBS during the summer. Nutrition Services can provide FREE meals/snacks to the church.**
