Stipend Opportunity for STEM Teachers Grades 6 - 12

Through an exciting partnership with Discovery Place, the Joint Science and Technology Institute (JSTI) STEM Teacher Education Program (STEP) is offering STEM teachers a 3-day professional development workshop in Design Thinking! Contact Dedric McGhee, STEM Manager, mcgheed@scsk12.org for more info.

Did we mention a stipend?

WHERE: University of Memphis; Memphis, TN
Engineering Administration Building Room 102D
(map: <https://umwa.memphis.edu/campusmap/index.php>)

WHEN: June 4-6, 2019

Come ready to learn about Design Thinking and how to incorporate it into your classroom! You will experience classroom learning and hands-on experiences across your 3-days in the workshop! Teachers taking part in the workshop will also receive a \$100 stipend!

Register here or visit the [JSTI STEP website](#) for more information!
