## TEACHERS COLLEGE COLUMBIA UNIVERSITY

### *About Summer Principals Academy | New Orleans*

The Summer Principals Academy (SPA) at Teachers College, Columbia University is a transformative graduate program for public school educators interested in becoming educational leaders. SPA|NOLA integrates practice and skill development with theory and research using case studies, simulations, and teamwork. Advocating innovation and risk-taking to promote institutional change, our program introduces new strategies for emerging school leaders to help them initiate and sustain school improvement, social equity, and educational achievement.
