"Education is the most powerful weapon which you can use to change the world."

~Nelson Mandela

Strategy of Focus

The strategy of focus for this newsletter is *Give One, Get On*.

Give One, Get One is a strategy that can get every student to participate every time. It allows students to engage in structured academic discussions with peers. Consider using a PDF or collaborate a Word Document in Teams while implementing the strategy so that students can see the work of their peers in real time.

Click the link below for more details.

Educator Spotlight

Kudos to all of the teachers that participated in the August K-5 Social Studies DLD Sessions! All teachers displayed professionalism, enthusiasm, and engagement throughout the sessions. Please take some time to review the [2022-2023 Curriculum Resources](#).

Know Someone Who Should Be Spotlight Teacher of the Month?

Nominate yourself or a colleague for next month's Teacher Spotlight!

Please complete the [survey](#) for more information on ways you or a colleague can be recognized in future newsletters.
