

# Achieve 3000®: Ensuring a Successful Launch with Smarty Ants®

Smarty Ants is the foundational literacy program by Achieve3000. Smarty Ants is an effective, research-driven solution that differentiates instruction in foundational reading skills and accelerates student achievement – all in an engaging, interactive, online learning environment.

The Smarty Ants literacy solution is being provided for all Tier 2 and Tier 3 students by the Curriculum and Instruction Department of Shelby County Schools. To ensure a successful implementation launch, below are a few important reminders and helpful tips.

## How Do We Log In?

**Administrators** <https://dashboard.smartyants.com> (Must be identified as a site administrator for access. Please email [shelbycounty@achieve3000.com](mailto:shelbycounty@achieve3000.com) or call your customer support team at 1-877-235-2525.

**Teachers and Students** Once you receive the alert from the Curriculum and Instruction Department that Clever has completed its initial sync, all teachers and students will access the program via **CLEVER**. You can expect this sync to happen during the week of **August 6<sup>th</sup>**. In the meantime, access to the program's training and teacher guide tabs are available **for teachers** for initial planning and instruction at <http://dashboard.smartyants.com/about>.  
*\*Students must be enrolled in PowerSchool with a schedule and assigned to their classroom teacher in order to have access via Clever.*

## How Do We Get Started?

- For teachers who missed summer training, please click [here](#) for a getting started timeline (includes videos) that will support you through your first month.
- If you are unable to click on the link, please visit <http://doc.achieve3000.com/article/SmartyAnts/gettingStartedTimeline/gettingStartedTimeline.pdf>
- Initial Assessments Due Date: **by/before September 7, 2018**.

# Achieve 3000®: Ensuring a Successful Launch with Boost

Achieve3000 is the leader in online differentiated instruction, serving over two million students worldwide. Based on decades of scientific research, Achieve3000's cloud-based solutions for grades PreK-12 and adult education reach students at their individual reading levels to accelerate their learning, improve high-stakes test performance, and prepare them for college and career success.

The Achieve3000 literacy solution is being provided for all Tier 2 and Tier 3 students by the Curriculum and Instruction Department of Shelby County Schools. To ensure a successful implementation launch, below are a few important reminders and helpful tips.

## How Do We Log In?

**Administrators** <https://portal.achieve3000.com> (For log-in credentials, please email [shelbycounty@achieve3000.com](mailto:shelbycounty@achieve3000.com) or call your customer support team at 1-877-235-2525).

**Teachers and Students** Once you receive the alert from the Curriculum and Instruction Department that Clever has completed its initial sync, all teachers and students will access the program via **CLEVER**. You can expect this sync to happen during the week of **August 6<sup>th</sup>**.  
*\*Students must be enrolled in PowerSchool with a schedule and assigned to their classroom teacher in order to have access via Clever.*

## How Do We Get Started?

- For teachers who missed summer training, please see the [LevelSet™ Prep Document](#).
- Have students log in and complete LevelSet. **No training** is necessary for this step. This must be completed before students may begin instruction.
- LevelSet automatically launches as soon as students log in. There are no preparatory or additional steps needed from the teacher. See the [LevelSet Prep Document](#) for a step-by-step walk through.
- LevelSet will begin on **August 20, 2018**.
- Initial Assessments Due Date is on or before **September 7, 2018**.
- If you would like to review the program with students via demo access:
