

# New K-12 ELA Curriculum Supporting Documents & PD Updates

## New Supporting Documents

The Curriculum and Instruction ELA team would like to share a few new documents to help support as educators continue to plan for instruction and implementation of the new curriculum.

1. **Curriculum Components and the Instructional Practices Alignment Guide**- These documents explicitly show how our K - 12 ELA curricula (Wonders and myPerspectives) contain multiple opportunities to utilize the 4 Instructional Practices. [Access the documents here.](#)
2. **Grading Guidance Document**- This document provides information around suggested lesson components for collecting grades and how to make and manage assignments within the ELA curriculum platforms: Wonders (K-5) and myPerspectives (6-12). [Access this document here.](#)

## New and Ongoing PD Opportunities

1. Learn even more about the **Wonders (K-5) ELA** curriculum in Monthly sessions addressing a new topic each month. Sessions begin this month on October 20<sup>th</sup> and will focus on:
  - Adjusting Calendars and
  - Managing and Assigning Tasks and Assessments.[Learn more and register here.](#)
2. 6-12 ELA teachers can learn more about the **myPerspectives (6-12) ELA** curriculum by attending a Digging Deeper session where participants will focus on the 5 hot topics:
  - Small Groups
  - Writing
  - ELL
  - Differentiation
  - Assessments[Learn more and register here.](#)
