

SUPERHERO  **EMPLOYEE**

Nothing shows pride like coming back to your alma mater to make a difference. Eboni Rideout graduated from Melrose High back in the 90s, and three years ago she returned as a teacher to help shape the lives of students in her own community. A 15-year teaching veteran, she jumped right in at Melrose getting involved in school and community activities. From helping with the Orange Mound 100th celebration and attending the inaugural celebration of the Orange Mound Heritage Room to assisting students in the Orange Mound Task Force meetings and volunteering at sporting events, Rideout is teaching her students by example how to take pride in their school, community and in themselves. Everything she does exudes the Melrose High motto: "With Pride and Humility... ." SHE IS A TRUE SCS SUPERHERO.
