

DISCOVER A WORLD 75 MILLION YEARS IN THE MAKING!

WALK AMONG THE DINOSAURS!

A Prehistoric Exhibit Roars into Memphis
at the Graceland Exhibition Center

October 25 - January 20

Expedition: Dinosaur takes you back in time to walk among the largest creatures to ever call Earth their home. Explore their fascinating world and step into the shoes of paleontologists and archeologists as you join the hunt for their fossils in the early 20th century.

Highlights of the *Expedition: Dinosaur* exhibit include:

- **Walk** among more than 10 full-motion robotic dinosaurs with realistic movements and sound effects
- **Step** into the shoes of paleontologists and archaeologists through interactive cabinets filled with excavation artifacts and fossils
- **Extract** dinosaur bones from the earth in our interactive Dinosaur Dig
- **Examine** dinosaur eggs with a robotic arm in the Robot Egg Incubator
- **Create** your own dinosaur by mixing and matching various body parts of other dinosaurs
- **Find** yourself in the jaws of a dinosaur at our Dino Head Photo Op
- **Solve** puzzles and play mini-games as you learn more about these amazing creatures

And more!
