

THE FREEDOM AWARD STUDENT FORUM

HEY TEACHERS!

Each year the National Civil Rights Museum partners with International Paper to present the Freedom Award Student Forum. This exciting event is an opportunity for area students to engage with this year's Freedom Award honorees, **John Legend, Hafsat Abiola and Gloria Steinem.**

The program is designed specifically to inspire students to stand up and take action for something meaningful in their communities. During the Student Forum, area students are presented the Keeper of the Dream Award for their dedication to services and equality for others.

But you must reserve your 5th through 12th grade class ASAP!

The deadline is Friday, September 25.

School group reservation is on a first-come, first-served basis.
