Kindergarten Literacy Everywhere

Literacy is everywhere! Here are some activities you can engage your child in at home, in a restaurant, and in the car.

Home	Restaurant	Car
Use magnetic letters to spell words on the refrigerator or baking sheet.	Read menus. Find words with the same ending sound (salad, bread).	Practice naming things and sorting them into categories, such as things in the sky or things on the ground.
Read directions for putting together new holiday toys.	Listen for items that have the same beginning sound (soup, sandwich).	Play games like I-Spy with letters and words.
Identify letters, words, and sounds in the newspaper.	Video your child describing his/her favorite dish.	Keep books in the back seat of the car for children to read during travel.
Compose a text message to a loved one; use proper grammar, spelling & punctuation.	Discuss daily happenings (Family Talk).	Point out and discuss what you see. What color is the tree? What sounds do you hear in the word "tree?" Try to spell tree.
Watch interactive educational videos/TV shows and retell the events in order.	Be a food critic and write a review of one of the menu items ordered.	

Kindergarten High Frequency Word Fun!
