ABOUT CHRISTMAS CANTATA

Gracias Christmas Cantata is a show-stopping musical event that has been performed in venues like the Sydney Opera House and Madison Square Garden, as well as many other stages around the world.

With 3 beautiful music-filled stages and 1 eternal message of hope, Gracias Christmas Cantata instills in its audiences the true meaning of Christmas, which is the birth of hope, love, and God's forgiveness in our hearts.

A stage performance of the Nativity Opera. The scene is set in a stable with stone walls. Mary is seated on the right, holding the infant Jesus. Joseph is kneeling on the left, looking up at her. Several other figures, including shepherds and animals, are present. The lighting is warm and focused on the central figures.

PERFORMANCE REVIEWS

"The performance left me speechless. The voices of the choir were amazing, and the overall structure of the performance was great too. Each and every stage delivered the message of Jesus' birth. This is the best show! I cried during the Nativity scene!"

- Anitere Flores
State Senator, Florida

"There's a level of passion and commitment that's extraordinary. Every moment is important to the choir, every note they sing, every act in beat. I'm just deeply moved by how committed they are to their artistry. I really, really enjoyed myself."

- Aubrey Lynch
Renowned Broadway artist

"It's the first time I've seen such a fun, happy, mesmerizing performance. It was incredibly fun. All of them danced perfectly, and the songs really touched my heart. It was so good that it had me wondering where they received their training. I had such a wonderful evening thanks to the Cantata. Now I am going to come and watch the Christmas Cantata every year."
