Intro to EL (6-8)

#15910

The "why" of Expeditionary Learning

You will learn:

Teachers will understand how the curriculum uses the standards and high-quality text to support meaning-based instruction ('The Why' of EL). Teachers will gain understanding of the principals behind the curriculum, the instructional logic of the modules and units, and explore ways the curriculum meets the needs of diverse learners.

Fostering Character 6-8

#15912

Understanding Management in the Active Classroom

You will learn:

Participants will understand Management in the Active Classroom (MAC) practices for promoting a respectful, active, collaborative, and growth-oriented classroom. Participants will learn how to set up successful classrooms, establish norms for learning and collaboration, enhance teacher presence, use character language to support student behavior and examine where Habits of Character live in the EL Education Language Arts Curriculum in the classroom.
