

Riley Hospital for Children
Indiana University Health

proudly presents fun & engaging
Parent*-Daughter events:

Goodbye awkward silence, *hello conversation!*

Girlology & Guyology are helping kids face puberty & growing up with knowledge and confidence.
And we're helping parents start conversations that matter. Join us for a parent*-child program.

For Girls + Parent*

Led by Dr. Erin Vilano, Girlologist &
Riley at IU Health Adolescent Gynecologist

Puberty: Something New About You

Friday, March 24

4th-5th Grade Girls + parent*
