

## Happier Holidays

*CHP Family Services is once again proud to have participated in both the Eagle Santa Fund and the Watson Fund. We were able to help make the holiday a little bit sweeter for many families in South Berkshire county. We accepted Santa Fund applications for 208 children and distributed over 300 toys & games to local families this season. It is both a pleasure and an honor to again work with these outstanding organizations.*

**CHP Family Services extends warm thanks to these groups & individuals that provided direct support during the holiday season to our families!!**
