

Falcons For Vets

The Westosha Central Leading into the Future class is continuing their pursuit for permanently recognizing CHS alumni who served in the military. As part of this project, the class is looking forward to honoring these individuals who put themselves on the line to ensure our freedom and safety, this is simply our way of recognizing their courage. Also, we would like to spread that word that we need the following link completed for those individuals who are veterans or are currently serving to ensure all of these individuals are properly recognized.

Additionally, the class is seeking to raise around \$4,000 to install an interactive monitor to display short personal bios on the the Central Alumni who have served or are currently serving. If you are interested in making a donation to this cause or have additional questions please contact Mr. Tyson Mengel at mengelt@westosha.k12.wi.us

This year Central High School hosted the annual Veterans Day Assembly on November 12th, from 2:00-2:45 p.m. We would like to thank CPL Larry Bychowski, United States Army and CPIN Jeffrey Zeller, United State Navy who were this year's guest speakers. It is important for the next generations to understand the sacrifice that it takes to be the land of the free.
