

# FREQUENTLY ASKED QUESTIONS

## Location

We are located at 1 Railroad Square in the Bickford Pavilion. If you put this address into your GPS, it may come up as “Bickford Transportation Center.” That’s us! If you search “Yarmouth Farmers Market” our old location at 317 Main may come up. The pavilion is just 100 yards from the old location so you’ll find us either way. We’re just before or after the railroad tracks on Main Street depending on which way you’re traveling.

## Biking & Walking

Our market is located in the heart of Yarmouth village, so walking and biking to market are excellent options! Don’t forget your backpacks or panniers. We also have free insulated totes at the info booth. (One per customer per season please.) There’s a bike rack next to the railroad tracks in front of the pavilion, or you’re welcome to leave bikes against the fence in the field behind the pavilion.

## Parking

If you live nearby, walking and biking are great options!

If you visit us by car, you are welcome to park in the spots in front of the antique cars, in the field behind the pavilion, or on Main Street.

**Please do NOT park alongside the pavilion.** (with the exception for those with handicapped plates if the handicap spots are already taken)  
**Do not park** in the Sacred Heart Church parking lot because they’ll have you towed.

## Handicapped Parking

There are 2 handicapped parking places at the rear of the pavilion. If those spaces are taken, please park alongside the pavilion. If you don’t have handicapped plates, just make sure your placard is visible.

## **Food Vouchers**

YFM created a locally funded food voucher program in 2016 to support Yarmouth families in need. These \$25 vouchers can be used like cash at any food vendor. **One per customer each week.** They are available via the Yarmouth Community Food Pantry, through Yarmouth Community Services and at the YFM market info booth.

## **Tote Bags**

A statewide ban on single-use plastic carry-out bags went into effect on July 1, 2021. Please remember to bring tote bags or ask for one of ours and remember to bring it each week. We have sturdy YFM insulated tote bags thanks to our sponsor Legacy/Sotheby's.

## **Bathroom?**

We have a portable restroom located in the field behind the pavilion.
