

SVDP DRIVE UP, DROP OFF

Due to COVID-19 and the fact that so many parishioners are unable to make it to church, our SVDP had to get creative for their monthly food drive. For those who are compromised and unable to drop off **Food for the Poor** to the church, SVDP has you covered! On Sunday, October 18th, between 11:00 am and 2:00 pm, SVDP will have a Drive Up, Drop Off food collection at the picnic shelter. You can drive up and a SVDP volunteer will take your food donation without you ever leaving the safety of your car. Please know that we appreciate any donation you are able to make as our SVDP food pantry is very low and calls for food continue to increase. Thank you and God Bless You!
