

ANNOUNCEMENTS

Family Survey Out This Week (5-10 mins)

The end of the year has arrived, and we want to know how it went for your family. Help shape MCS with your feedback - what you loved, what you liked, and areas to improve for next year. It's anonymous, and your reply truly makes a difference.

UNTIL WE MEET AGAIN

We have some staff members that are moving on to a new adventure! We want to thank them and honor their dedication, the countless hours, and the immense love they have poured into your children over the years.

MR. ALEXANDER CLARK

We cannot say enough great things about what Mr. Clark has meant to the day-to-day inside our school. He has tirelessly kept the hallways clean, the fields mowed, the landscape thriving, and the building safe and maintained. After three years of dedicated service as our hallway hero, he is leaving to pursue his dream of owning his own landscaping company. He promised he won't be a stranger, and I'm sure you'll see him back at recess duty or mowing the fields on occasion. We wish him well in his new adventure and he is leaving some big shoes to fill!

God sent me here to make my life better, and all of your amazing students made that happen. I will never forget these three years. Love infinity!

-Mr. Clark

MRS. CHRISTINA ROBERTS

There will definitely be a void in the hallway without her beautiful smiling face! Mrs. Roberts started here as Mrs. Perez, and worked in student support. She has grown into a wonderful, cheerful, and respected first grade teacher who has shown her students how to truly be a light in the world. She is famous for her knitting, and has made a personalized knit cap for her students every year as their Christmas gift. She will be returning back to Georgia, and although we are so sad for her to leave, we are excited to see what God has in store for her next chapter!

I loved getting a chance to help in every grade, then having two of my own first grade classes!

I am going to miss the kids, who are some of the sweetest kids I have ever worked with. The staff has become like family. It was a super hard decision to leave but God is calling me back to GA to be closer to my family. We were able to buy a house that is 10 min from my parents' house (this just happened today!!) Just preparing us to start a family of our own.

- Mrs. Roberts

MRS. MINDY WEEKS

Mindy is our fun and adventurous third grade teacher! She is always up for an activity, soccer game, or an extra recess. This is why the kids love her, and enjoy her camping activity themed class so much. She has been a staple at MCS since she started as a student teacher, and we have seen her grow into a fantastic force in third grade. Her son Jaxson in 5th grade is a friend to all, and we will miss their family's presence around school. Mrs. Weeks will be homeschooling next year, in addition to some private tutoring. She won't be a stranger, and you may see her as a sub or at a soccer meet cheering on the team! We will miss you, Mindy!

This is my 3rd full year here at MCS, and my journey began in 2nd grade with Mrs. Bailly, my amazing mentor! The last two years I've taught 3rd grade and have loved my students. However, next year, my son Jaxson and I will be transitioning to homeschooling in the fall.

The staff and community here at MCS has been amazing and I will definitely miss that. I love all my students and will miss them terribly. Our family has been a part of MCS for the last five years and it's time to 'pack up camp' and move to a new 'campsite' at-home.

- Mrs. Weeks

MRS. JESSIE SCOTT

We have all been blessed by the talents of Mrs. Scott and her entire family. Her amazing music programs have brought so much joy to us all! She has brightened every grade with her creative lessons, fun instruments, and cheerful attitude. Her husband, 'Captain' Curran from APEX, will return with his team next year to lead a week of leadership and sportsmanship training. He has elevated our students so much with his character-building lessons, and we are so grateful for the impact their whole family has made at MCS. They will be returning to Leavenworth to be closer to family, but we will have many opportunities to see them in one of many upcoming productions. They will be dearly missed, but we know their many talents will continue to further God's Kingdom. They will always be a part of our Knights family!

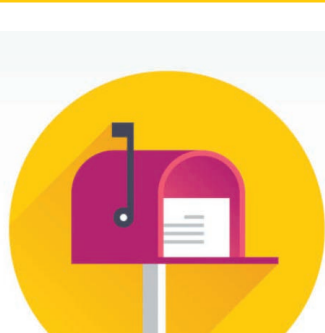

Hello MCS!

I want to thank you all for being a part of my life for the past five years. MCS has not just been the place where I go to work and where my kid's go to school, it has been our home. The place where we feel we most belong, the place we feel accepted, loved and known, and it has been such a blessing!

It has been a privilege and a joy to get to spend my days with your kids teaching them about music, singing, dancing, preparing music programs, and worshipping together. On behalf of my girls and myself, we love you, and will miss you; and don't be a stranger, I will be playing in the orchestra for Leavenworth Summer Theater's The Little Mermaid, so if you make it to a show, make sure to come say hi!

- Mrs. Scott

Watch Your Inbox - More Coming Soon!

There will be more news sent out this week, and during the summer as it becomes available. You will see new staff bios, classroom assignments, construction updates, and meet-up opportunities. Be sure to watch your inbox!

Have a wonderful Summer! See you in the Fall!
