- ✓ Participate in daily temperature checks at school and answer health questionnaires before child/ren exit their cars.
- ✓ Student/s must report feelings of oncoming illness to a teacher and the office as soon as possible.
- ✓ Arrive at school between 8:00-8:30 and proceed directly to classrooms using the outside doors.
- ✓ Wear face coverings.
- ✓ Practice physical distancing.
- ✓ Practice excellent personal hygiene.
- ✓ Carry a refillable water bottle and fill as directed by the teacher. No sharing of food, school supplies, or water bottles.
- ✓ Student/s will do their part to keep the classroom space clean and sanitized throughout the school day as directed by the teacher. (Teachers will always keep in mind the age of their students and their ability to help with certain tasks.)
