

Auction Donation Ideas

We ask every family to procure a minimum of one auction item. We need a lot of donations, so no need to stop at one! Donations can be tangible items (NEW only), services, or monetary donations by you, your favorite businesses, or others. Donations are tax deductible – the donation receipt is the yellow copy of the procurement form. If you go out in the community to ask for donations, your time can be logged as Service Hours!

Here's a list of ideas to get your creative juices flowing! **The sky's the limit!** Have fun! And if you want more ideas, check out Pinterest (search for "auction donations").
