WELCOME TO KONNECT 2020
WEEK 1

After watching the video together – Say the point and Bible verse together

Point: Together, we live out God’s mission.

Bible Verse: Ecclesiastes 4:12 “Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken.”

- What do you think the Bible verse means?

Activity –

What you need: Konnect Postcard (provided below), markers or crayons.

Say: God calls us to help each other love Him and show love to the world. What questions do you have about that?

(Allow kids to answer)

Say: You have some great questions! Let’s send them to our friends at Konnect HQ! Write or draw a question you have about God or share something you want the Konnect HQ crew to know. We can send the postcards to them!

(Allow kids time to draw or write their needs or questions about God to Konnect HQ and share with each other.)

Ask: How do you think working together can help us love God and share God’s love? What can Konnect HQ do with your postcard? *(Read it, pray over it, put it on the show, etc.)*

Discussion Guide –

1. What mission does God have for everyone who follows Jesus? *Show God’s love to the whole world, make disciples for Jesus all over the world, etc.*
2. God’s mission is too big for us to do on our own. Why do you think He gave us a mission like that?
3. What do you think this means: “Show God’s love by loving each other well.”

4. What do you think makes a cord of three strands stronger than a cord with one or two strands?
5. How do you think friends who follow Jesus are like a cord of three strands?

Action Steps –

1. When you need help, who can you ask?
2. Remember, you can show God's love to the world by loving each other well. What things can you do to love well? *Ideas: pray, forgive, help, give, work together, let others help you, etc.*
