Annual Training Conference Vignette Application

In an effort to increase flow, interest, and attention to exhibitor offerings, we provide exhibitors the unique opportunity to showcase their latest and greatest equipment and/or services through 30-minute vignettes (or mini-presentations) right at their booth. The vignettes have been extremely popular with both exhibitors & attendees. The exhibitors love the chance to talk about their products or services to a captive audience, and attendees love the "elevator speech" format that allowed them to hear about the products or services in the comfort of a group. If you are exhibiting, please fill out this form to apply for a vignette presentation if interested. Applications are due by March, 26th 2026. Please email completed form to jordan@ohioruralwater.org.
