Maximizing Collections

Collect Rx is a leading healthcare revenue cycle management company with deep out-of-network expertise. Its RCM services include management of appeals and negotiations, denials, and collections, all of which increase payments and allow providers to focus on patient care. Collect Rx achieves its results by leveraging its understanding of the nuances of behavioral health collections while analyzing data from its business intelligence engine. This lets Collect Rx pinpoint opportunities to increase payments at a case level.

Join the **100+ behavioral health customers** that have **received \$22.9M+** in additional revenue from Collect Rx.

Descriptions
