Construction Training Centers of New York State Spring 2021 Semester

Rochester – continued (2 of 2)

☐ **Electrical 1 - ENTIRE LEVEL** (180 hrs) **EL51210**

Upon the completion of Year 1, your students will have the knowledge necessary to safely and proficiently perform the job duties and responsibilities expected of a first year apprentice. They'll have built a foundation of knowledge about construction safety, electrical safety, and electrical theory that's necessary to understand the National Electrical Code (NEC). This level will also support electrical math processes needed for calculations. They'll be introduced to the Code rules that are related to general wiring requirements, outlet box sizing, raceway sizing, and bonding and grounding. In addition, they'll learn how a multimeter is used in the field and receive a multimeter competency certification.

Classes start: Monday, November 2nd, 2020 **Mon/Wed 5-8pm**

Please note: All classes subject to minimum enrollment requirements. Times are subject to change and some Saturdays may be required.

**Makeup instructional hours will be charged to the employer and/or employee at a rate of \$60/hr.
All fees must be paid in full prior to certification of the makeup hours**

REGISTRATION & PAYMENT DUE BY October 28th, 2020

Payment in full for each student is expected prior to the start of class. If full payment is not received 14 days after the start of the semester, students will not be permitted to attend class until all outstanding balances are paid. If a student is paying themselves, payments must be made weekly.
