Winston-Salem, NC

The Joel and Claudette Weston Award honors a local non-profit, health, or human service organization that has demonstrated organizational excellence. Each year, the Weston Award Committee reviews applications from local organizations. The winner will be presented with a **\$50,000** award from the Joel and Claudette Weston Award Fund.

The Joel A. Weston, Jr. Memorial Award for Excellence in Non-Profit Agency Management is a tribute to one of Forsyth County's finest citizens. As United Way President from 1980 through 1982, Joel Weston was responsible for the introduction of many innovative programs, all designed to strengthen our community. The award was established and endowed by his family and friends in recognition and honor of his vision and dedication to our community.
