February 2 • Getting Excited About Grant Writing: Turning Ideas into Impact

Grant writing doesn't have to be intimidating, it can be energizing! In this interactive session, we'll explore how to shift your mindset and discover the power of storytelling, clarity, and purpose in your proposals. Whether you're new to grants or looking to reignite your enthusiasm, this workshop will help you connect your mission to meaningful funding opportunities. Hear from local changemakers during a panel discussion on their grant experiences and leave with practical tools to get started with confidence.

March 23 • Take-Away-Tools: Crafting Competitive Grant Proposals

Ready to take your grant writing to the next level? This session dives into the nuts and bolts of building a strong, persuasive proposal—from crafting a compelling need statement to aligning with funder priorities. Learn how to avoid common pitfalls, write with clarity and impact, and present your work in a way that resonates. A panel will share insider tips on what makes an application stand out. Perfect for those looking to sharpen their skills and increase their chances of success.
