

# GET READY FOR LIFT OFF!

## Get your small business off the ground

at Baltimore/Washington International Thurgood Marshall Airport. Area businesses in the Maryland/Washington D.C. Metro are invited to explore an exciting opportunity to start a retail or grab-n-go food/beverage concessions business in one of the nation's top airports.

**Launch Pad BWI** is a "internship" concession program, providing small business owners an opportunity to participate in the BWI airport concession program for a limited time-period.

**Launch Pad BWI** provides entrepreneurs access to operating a business at BWI airport, with a low investment, business resources and ongoing business development training.

Piloted in 2017, **Launch Pad BWI** has welcomed a variety of small, local and minority businesses to the airport, introducing their unique products and services to millions of passengers.

Join us for this free informational session and discover how your small business can take off with **Launch Pad BWI**.
