

### **Amanda Veinott, Owner & CEO, Momique, LLC**

Amanda Veinott is a community builder, visionary social entrepreneur, and national speaker who combines a passion for people and purpose in all her endeavors. Her professional background is in corporate talent programs and business startups, specifically with the military and mother communities, and she is the Founder & CEO of Momique, LLC, which is a community center and influencer brand focused on the emotional, social, mental, and physical health and wellbeing of moms and young families. She is a Certified Professional Coach, holds an MBA from Centenary University, and has experience taking startups from the point of creation to the sale of the business.
