## **McCarthy & Cox Charity Outing a Success**

MARYSVILLE, OH - The 10<sup>th</sup> annual McCarthy & Cox Charity Golf Outing was an enormous success, raising a record \$27,665 for two charities! "We are very thankful for the outstanding turnout and support from our community and corporate sponsors," commented Jim Cox, Managing Partner of McCarthy & Cox.

"Tom McCarthy and I started the McCarthy & Cox Cares Fund in 2013 to assist seniors, youth, and to fill emergency needs in Union County. To date, the Fund has donated more than \$55,000 back into our community. The Cares Board manages the grants and consists of five current McCarthy & Cox clients who independently review requests from the community. For more information or to apply for funds, we encourage people visit [McCarthyandCoxCares.com](http://McCarthyandCoxCares.com)," Cox shared.

"The Elizavèta Fund also benefits from our annual golf outing, which Jim and Faye Cox founded in 2014 to assist families with the financial burden of adoption costs. Jim and Faye adopted their daughter, Caroline Elizavèta, from Russia in 2011. Throughout their adoption process, they came to realize the financial and time commitment that is required and decided to help others who wanted to grow their families in the same way. Over the years, the Elizavèta Fund has granted nearly \$75,000 to assist 17 families, aiding in the adoption of 22 children. For more information, visit [ElizavetaFund.org](http://ElizavetaFund.org)," McCarthy noted.

Both funds are housed at the Union County Foundation and donations are tax deductible.
