Just One More Ministry Wish List

The mission of Just One More Ministry (JOMM) is to rescue food and feed the hungry with this food. Our main wish is to see just one more child, adult, or senior citizen have a nutritious meal each day so they do not need to go to school or bed on an empty stomach. Your Helping Hands gift will help us achieve our mission. In September 2019 we moved to our NEW warehouse location! We are in need of financial donations to complete our renovations and purchase commercial kitchen equipment. Thank you in advance for your generosity! God’s blessings from the JOMM team!
