

Keith Lacey - Candidate statement & bio

My name is Keith Lacey and I am running for re-election to represent you as the SPFGA Shotgun Director. I have been an avid hunter my whole life, having gone on my first hunting trips before I could walk and jumping at the chance the go when ever there was space for me usually stuck in the middle of that old Chevy's bench seat. That lead me to having a lifelong interest in not only the outdoors but the slippery slope that is firearms and shooting sports which like many of us dove down headfirst and am still having fun with a learn new things about today.

Having been a board member for the last few years I have seen a lot of change happen at our club and think the direction in which we are now heading is a good one. I would like the opportunity to continue to work with the great group of volunteers that we have and keep the momentum that we have built going and making the club a better place for all members to enjoy. And look forward to keeping the SPFGA shotgun traditions running.
