

## **VETERANS DAY ESSAY CONTEST 2020 SANIBEL CITY HALL**

### **A MEMBER OF MY FAMILY WHO IS A VETERAN**

Veterans Day is on Wednesday, November 11 and has been for 66 years. President Eisenhower declared Veterans Day on November 11. We celebrate veterans by having parades and they hang a lot of American flags.

We also have a moment of silence and thank the soldiers for us. It is held at 11:00 am. Long ago soldiers got paid with salt. Veterans Day is important because it honors the soldiers who fought for us.

My great-grandfather served in the Navy in World War II. Two great-uncles were in the Army in WWII. One grandfather served in the Army and another served in the Navy, as did my step-mother.
