

## **VETERANS DAY ESSAY CONTEST 2020 SANIBEL CITY HALL**

### **A MEMBER OF MY FAMILY WHO IS A VETERAN**

My Grandpa was in the Marines. He was a photographer and a reporter on base. He did a good service to America before he died of leukemia. And that brought together my tradition.

When I wake up and go to bed, I act like I'm praying for a minute and remember what he did for America. He did a great service and he never gave up no matter how tough the challenge was.

He was a great man and I mean that. In my view my Grandpa is one of the kindest people on earth. And that's why I celebrate Veterans Day. Because I support veterans and their fight for our freedom.
