

Grab and Go Breakfast and Lunch

A feeding site has been added to Sanibel!

The School District of Lee County will be serving breakfast and lunch to children 18 years old and younger.

- All children 18 and under are qualified.
- If each child is not present, we ask for a form of identification to verify. It can be anything from a school ID, report card, or family photo.
- The site will be at The Sanibel Community Church located at 1740 Periwinkle Way.
 - Monday through Fridays from 10am-11am.
- For everyone's safety, there will be little contact- "Grab and Go".
 - The meals will be bagged with breakfast and lunch.

We want to make sure no child goes without a meal during this rough time.

Hope to feed you soon!
