PARENT CIRCLE

Parents + Community = Brighter Days for Our Kids!

What is Parent Circle?

Parent Circle is a volunteer-led group that helps cultivate connection between parents, faculty, and the school as a whole.

We:

- Support classroom needs through Parent Representatives
- Coordinate school-wide volunteers for Ag Arts, reading, and special projects
- Offer seasonal appreciation to teachers and staff

- Respect your availability
- Let you know when opportunities arise that match your skills

Every contribution matters, no matter how small. Together, we make our community strong, creative, and whole.

About Our School

Dear Families,

We're so grateful you're here. Parent Circle (PC) is the parent-led group that helps support our school's thriving community. Inspired by MSCS's values of Heads, Hearts, and Hands, we work together to uphold a nurturing environment for all students, families, and teachers.

Parent involvement isn't just helpful, it's deeply woven into the fabric of Waldorf-inspired education. From harvesting in the garden to storytelling in the classroom, your presence brings warmth and wholeness to the school experience.

Whether you have 10 minutes or 10 hours a month, you are welcome here. There's no "right way" to help—just your willingness to show up when and how you can!

Weekly Opportunities

We always need helping hands—whether once in a while or on a regular basis!

- Agricultural Arts (Ag Arts):** Garden help and class support
- Reading Support:** Listening to students read aloud or sharing stories
- Handwork Support:** Assisting with classroom knitting, sewing, and crafts

Even one hour can make a difference in a child's day!

Monthly Meetings

Parent Circle meetings are open to all caregivers, so you do not need to hold a role to attend.

We meet once a month, and:

- Childcare is provided
- Come as you are, stay for part or all
- It's a great way to connect, learn, and collaborate

Classroom Representatives

Classrooms are supported by Parent Representatives who serve as a bridge between the teacher and the parent community.

Duties may include:

- Coordinating volunteers for class projects or field trips
- Supporting seasonal celebrations or classroom needs
- Sharing Parent Circle updates with families
- Encouraging participation in broader school life

Many classrooms still need reps this year! Even if your class already has a rep, you are always welcome to attend meetings and stay involved.
