## SPORT HORSE APPRENTICE VETERINARIAN

Miller & Associates is seeking a fresh, motivated veterinarian for a Sports Medicine Apprenticeship with our team!

Miller & Associates is a well-established, progressive and fast-paced sport horse practice headquartered in Brewster, New York. The practice has long serviced the equestrian community in Wellington & Ocala, Florida during the winter season allowing for year round clientele interaction and management.

Successful applicants would work alongside two seasoned veterinarians with the goal of strengthening and expanding the practice. It is our opinion, that positive mentorship is essential to attaining the confidence and skills to succeed in sport horse practice. Our goal is to provide our clientele with the best care and well-rounded service possible. We believe in a team oriented approach.

Candidates must have an equestrian background and at minimum be licensed or eligible for licensure to practice veterinary medicine in the states of New York and Florida. The ideal candidate will have excellent communication skills and a willingness to collaborate with other specialists at Miller & Associates.

This is a full-time, permanent position based out of Westchester, NY, with required seasonal work in Florida. Salary will be commensurate with experience. Health insurance and 401K options are available upon hire.
