Walk or Ride Your Bike to Church

If you are able, plan to walk or ride your bike to church while the weather is nice! Please bring your own lock to secure your bicycle during church. And feel free to attend church in your walking/riding clothes. Think about extending your walk or ride after church and planning a picnic with family or friends. Our website has a map showing safe routes to Maple Grove <http://www.maplegroveumc.org/connect/bike.html>. Walking Human Connection Group is in full swing! Please come join us on Saturday mornings at 8:30 a.m. We will meet at the deck at Antrim Park and walk around the lake. This year we are going to use the book *Walk & Talk – Walking Together with Scripture*. We will start with a brief scripture reading for the day’s topic. Then there are several suggested questions that we can talk about with each other as we walk. If you have questions or let us know that you’d like to come please contact Mary Jo Weaver at mjweaver@wideopenwest.com or at 614-582-0278 or Sandy Freer at sfreer@columbus.rr.com or 614-530-7971. Walking is good for our bodies and our souls so please come join us!

Are you a Maple Grove attendee between the age of 20 and 40? Are you interested in connection with other millennials at church? Questions? Contact Emily Scarborough, e.scarborough@gmail.com or Bethany Glick bak614@gmail.com.
