# How to interpret your results...

The screenshot shows the University of Rhode Island e-Campus interface. At the top, there's a search bar and navigation links. The main section is titled 'My Academic Requirements'. It displays the student's name, university, and the date the report was generated. Below this, there are buttons for 'Collapse All', 'Expand All', and 'View Report as PDF'. A legend indicates that green checkmarks represent 'Taken' courses, yellow diamonds represent 'In Progress' courses, and blue stars represent 'Planned' courses. The report is organized into sections: 'SUMMARY TRANSCRIPT, UNIVERSITY MINIMUM GPA, TRANSFER/TEST CREDIT', 'CATALOG YEAR', 'GENERAL EDUCATION, CATALOG YEARS 2016 - PRESENT', and 'MAJOR REQUIREMENTS MANAGEMENT BS, GENERAL TRACK, CATALOG YEAR 2021'. The 'MAJOR REQUIREMENTS' section shows that all requirements for this grouping are 'Not Satisfied'. It also lists graduation requirements for a Bachelor of Science in Business Administration, including specific courses and credit requirements.

## Academic Requirements Legend

Symbol	Definition
✓	Courses completed at URI, transferred to URI, and credit earned through testing (usually AP exams).
◆	Courses in progress (current semester ungraded or previous semester and graded incomplete) or courses registered but the semester has not yet started. Unless specified otherwise, these courses will fulfill or partially satisfy a requirement in anticipation of their successful completion.
★	Courses entered through the Planner. Not currently in use at URI.
▶	Has two meanings/purposes. Firstly, it indicates the requirement on that line is satisfied either fully or conditionally based on completed or in progress courses. Secondly, it can be clicked to expand the requirement to display details of how it is satisfied. If clicked again, it minimizes the requirement.
▼	Indicates the requirement on that line is not yet satisfied or not even started. What is needed to satisfy the requirement is displayed. By clicking on the triangle, it collapses the detail information.
[RQ10014/LN70]	Reference code for requirement (RQ), requirement group (RG), or requirement line (L or LN) used by colleges to enter exceptions for individual students. Can be ignored by most users.
Not Satisfied:	A requirement which needs additional courses or credits to be fulfilled. Usually, the courses that can be used to complete "Not Satisfied" requirements are listed below and are hyperlinked to the catalog and the semester section offerings pages.
Satisfied:	A requirement completed with graded and/or in-progress courses.
Units: 120.00 required, 0.00 taken, 120.00 needed	Units is synonymous with Credits. Units taken includes completed as well as in progress, unless specifically stated otherwise in the APR.

**IMPORTANT**

***Voila...you now have the information you need to graduate on time!***
