### Week of 6/24 – Uniquely Fantastic Beasts

Inspired by the beasts of Harry Potter’s universe, we will embark on an adventure of creativity and imagination! Youth will imagine their own uniquely fantastic beast universe and bring it to life in this multi-media camp. Camp activities include: create fantastic beast story boards, making clay critters, designing beast habitats, potion making, spell casting, collage, mask making and more!

### Week of 7/8 – Scavenger Hunt Extraordinaire

Together, we will hone our sense of exploration while discovering the intersections between art, design, and nature! Inspired by the mysteries of plants and animals; campers will create multi-media artworks geared towards understanding and awareness of their own surroundings. Camp activities include: creating Treasure Maps with invisible ink, found object sculpture and art, clay prints, imagining and bringing to life our own explorer’s world, exploration photography (with phone or camera), and more!

### Week of 7/15 – The Case of the Missing Masterpiece

In this who dunnit camp, the Youth Detective League will be deputized to work the case and learn how to solve the mystery of the stolen masterpiece! Through the week, gumshoes will try to solve the crime while learning, observing, and creating evidence that leads to uncover the mystery! Camp activities include: creating maps that retrace the steps of the crime, documenting evidence through painting, clay, collage, sculpture and identifying clues that help find the missing artwork taken from the gallery. The mystery will be revealed on the last day with an exhibition of student art!

## NEW Time Traveling Art Hackers Camp!

Calling all makers, painters, cutters, stickers, sculptors, photographers, creative thinkers and doers! It's time to get your art on and join us for a week of time traveling art hacks through the story of art. Each day at camp we dive into a new time period from the Ancient to the Avant-Garde and get inside what inventions and creations made it great! Over the week we will make art and hack everyday objects into crafts, games, stories and clothing inspired by artists from different times and places from ancient Egypt to futuristic Shanghai. Expect to travel far and wide all week with the help of your imagination and a snazzy printed art explorer's kit that is yours to take home and share at the end of the week. Instructor Lucie Charkin, of A Little Culture, is a local maker, art historian and museum educator with over 15 years of experience in helping families connect with and through art.

### **NEW** Teen Strength & Sports Conditioning Camp

Join us this summer for a fun sport conditioning class. This camp will address many elements to help you be a better and stronger athlete. We start with an assessment which will help us set a baseline. The focus will be on building a base of strength, speed, agility and conditioning. Proper form and foundational movements will not only help build strength and power but also prevent injuries. This class will help your child prepare for their specific sport and build a strong athletic growing body in a fun way. A small ratio of 8 children to 1 trainer ensures personalized attention and ample practice time.

## NEW Coding4kids

Are you looking for your child to be a 'code-ey'? We at sv4uKids introduce technology concepts and strive to build love for the programming language. We believe technology education expands creativity and emphasizes logical reasoning. We have created a young code-ey pathway to graduate to next level, we start from scratch for second grade and up and graduate them to python or depending on their level. At this time we are offering scratch and python for young kids. We create a strong foundation and help the kids practice making coding easy for them. We hope to create young data scientists by the end of completion of each course. This is a week long session, teaching basics or advanced depending on the level of every student.

# COUNSELOR IN TRAINING VOLUNTEER PROGRAM (CIT)

**NEW** Are you interested in being a CIT. (“Counselor-In-Training”) this summer? CIT.s work closely with the camp staff at a variety of our camps. A CIT. is a camper enrolled in a specialized camp leadership program that works closely with our summer camps. Through practical experience and various training workshops, each session will include daily training topics such as behavior management, risk management/safety awareness, communication, decision making, program planning and team building.

Each CIT. is required to attend mandatory training dates and will not be eligible to participate in the program if training is missed. Each CIT. will receive certification in American Red Cross CPR/FA. Campers will accrue volunteer hours and be awarded a Certificate of Volunteerism at the end of each week of service. Throughout the week, Camp Director will oversee various job skills taught such as resume building, interviewing skills and provide a formal performance evaluation to each CIT.

**Group Interview Dates:**

Tues May 14th 3:30 - 4:15pm or 4:30 - 5:15pm  
 Wed May 15th 3:30 - 4:15pm or 4:30 - 5:15pm  
 Thurs May 16th 3:30 - 4:15pm or 4:30 - 5:15pm  
**Must attend 1 day. Upon registration please email [mgiven@cityofmillvalley.org](mailto:mgiven@cityofmillvalley.org) with which date you are attending.**

**Mandatory CPR/FA Training Dates:**

Sun June 2nd 8:30 - 12:30pm  
 Sun June 9th 8:30 - 12:30pm  
**Must attend 1 day. Certification through American Red Cross. Fee included in your registration.**

**Mandatory CIT. Camp Training:**

Thurs June 20th: 10:00am - 3:00pm  
 Make Up day is Thurs July 11th.

Camps are structured with the campers’ happiness and, most importantly, their safety in mind. To ensure the camp’s quality, we ask that only those who are genuinely interested in working with children, and are able to fulfill the commitment as outlined, apply to be a CIT. Your CIT. assignment can be discontinued at any time if it is in the best interest of the program/campers to do so.

The CIT program is meant to develop future leaders for camp and all other areas of life. Our goal is to give CITs the opportunity to gain confidence, pride and a sense of community and accomplishment as well as develop leadership skills they can bring into the workforce once they come of age.

**Fee covers administrative and training costs including CRR certification.**
