

GOD'S LIGHT YOUTH CHOIR TOUR 2025

This year marked the 38th tour of God's Light, an unforgettable journey celebrating faith while exploring the breathtaking beauty of God's creation. The trip included awe-inspiring stops at Garden of the Gods, Pikes Peak, the Continental Divide, Four Corners, the Grand Canyon, and the Oklahoma City Bombing Memorial.

Throughout the tour, we shared in worship with wonderful churches, lifted our voices in song—even in a Chick-fil-A—and experienced a deeply moving early morning Communion Service at the West Rim worship site at the Grand Canyon. We experienced all four seasons in one trip—A snow storm (atop of Pikes Peak), heavy rains, cool fall-like breezes, bright sunshine, and spring flowers. There were plenty of laughs, a few tears, and countless memories made.

The time spent together, focusing on sharing and celebrating our faith, will remain in our hearts forever.
